Crinkle Collective Inventory Statement - Ending 10/31/25

Cooler weather has arrived, and our community stayed active this last quarter! We headed out to Flashback RetroPub, and had an amazing time at our fall Pamps-Out Campout, which was a ton of fun for all who came out! We recently celebrated a milestone of 150 members in our Telegram community as well! (Woo Hoo)

Our Community Support program continues to grow, and we've been organizing inventory to prepare for several upcoming community support orders. We had temporarily paused outgoing orders mid october to allow us time to complete a full count, ensuring we're able to fulfill a sudden influx of requests.

Looking ahead, we plan to resume outgoing orders in the coming weeks, and release some educational resources. We're looking forward to 2026 and grateful for every little, middle, big, and alike who contributes their time, supplies, or resources to keep the Crinkle Collective Thriving
